About our Company:

A small family run business that has been trading for over 65 years. We started as a side line in the back of Charlie's Cafe that was on Hertford Road in Enfield in the 1960's. We have steadily grown in both size and reputation and a recent move to a larger, purpose built unit in Hoddesdon means we can easily reach customers in London, Essex, Hertfordshire and further afield if needed.

Most of our work comes by way of recommendation from other customers, so we must be doing something right.

We pride ourselves on the service we give our customers and that is reflected by the fact that many of our customers return again and again.

All of our china and cutlery matches and is delivered clean and ready to use and are all dishwasher proof. If preferred, you can return all items dirty, see our order form for details.

Our prices are very competitive and we offer a prompt delivery service to your house, or if preferred we can deliver direct to where the function is being held.

We frequently deliver to Halls, Sports Centres, Golf Clubs, Fetes, Schools, anywhere in fact that the customer requires.

We have now merged with our associate Company Abbey Linen Hire to form one business that caters for all needs.

Thank you for taking the time to learn about us.
